

Petition

TO The Legislative Assembly of Ontario:

WHEREAS the Senior Driver Renewal Program requires drivers aged 80 to attend a group education session and pass a written test every two years;

WHEREAS many seniors in the Elgin County region use vehicles infrequently to travel relatively short distances;

WHEREAS the only location available for Elgin County seniors to take the written test is located in London which can be a half hour to over an hour drive depending on where a senior resides in the County;

WHEREAS this lengthy drive – which in many cases is abnormal for the driving habits of many seniors – can cause undue stress;

THEREFORE we the undersigned petition the Legislative Assembly of Ontario as follows:

The Ministry of Transportation of Ontario should hold Senior Driver Renewal Program written test sessions in St. Thomas.
